*****Opportunities for service**

- *****The New Hope Children's Clinic needs our help.** The cost of over-the-counter medication is not covered under grants for medical supplies. We have been asked to help with this need. We would like to begin *a quarterly drive to donate the following medicines:*

*Children's Musinex *Children's liquid Benadryl,
 *allergy eye drops *Children's chewable or melt-away Pepto Bismol.

Please place your purchases in the designated bin by May 4. Thank you for your generosity!

- *****From the CARE Center:** We are so grateful to the support we received in the family food pantry. However, *we are extremely low on canned vegetables.* Please give as God leads. Thank you in advance!
- ***** The Bag of Blessings** pack night at the CARE center will be on Thursday, May 15 at 6:00. It is the last pack of the year—the summer break pack. We will need 35-40 people. If we don't have enough people, we will need to enlist help from other churches, so *please sign up* on the sheet on the table in the back of the sanctuary so that we can get an early, accurate account of our numbers. (See Melinda Harvey if you have questions.)
- *****See the announcement below to find out how you may help with VBS in June!**
