*****Opportunities for service**

*** **CARE Center Donations**

For our focused donation for the month of March, we would like to respond to a much needed service for our under resourced neighbors provided by the CARE Center. Please donate **sample-sized tooth paste** tubes which provide a 3-day emergency supply for those in need. On average, the CARE Center gives out about 250+ per month, and they need to replenish their supply.

Happy birthday this week!
